GOLF UPDATES

WILLOW HILL  
GOLF COURSE

## SENIOR TEES

For the 2024 season, we are introducing Senior Tees. These yellow Senior Tees can be used by anyone looking to improve their game, boost their confidence, or add more fun to their next round. These tees will be added shortly.

## OUTDOOR DRIVING RANGE

Willow Hill Golf Course is excited to announce the construction of our new outdoor driving range. This new state-of-the-art outdoor driving range will have 30 bays, Trackman technology, and a south-to-north orientation to avoid that late afternoon sun. It will also include a synthetic turf area for hitting on rainy days and a seating area behind the tees. In the meantime, the indoor range is open from 8 to 3, Monday through Friday. We appreciate your patience as we build.

WILLOW HILL  
DOME

Stay on the lookout for information about summer programming at Willow Hill Dome. We are installing indoor pickle and basketball courts and will soon have a reservation system. Summer rates and weather-free fun are available at our brand-new indoor dome.

## BUNKERS

Our bunker restoration project is well underway! We have worked hard to alleviate drainage issues and repair our sand traps. These renovations are part of our ongoing efforts over the last five years to bring this course back to being fun for golfers of all skill levels. While we finish up this project, play will not be disrupted.

## EARLY SEASON GOLF SALE

The early bird gets the worm! Our pro shop will be stocked and ready on May 17th with all new men's and ladies' apparel. Summer apparel is \$39, and fleece and wind shirts are \$55. The pro shop also sells Titleist golf balls and apparel, as well as Titleist and FootJoy golf gloves.
